# Mission Statement

Theatre Ink, Newton North High School's Teaching and Working Theatre, is a student centered community that emphasizes the process of artistic collaboration and instills a disciplined work ethic. By practicing professionalism, collaboration and emphasizing individual development, we bring to the stage high quality theater productions.

We seek to prepare students to be lifelong learners, critical and creative thinkers, and problem solvers committed to open and honest communication. We believe that these are universal skills that can be applied productively to any endeavor. We want students to leave our program well prepared to navigate their way toward success in a challenging, complex, and exciting world.

And you don't have to be in a show... to be in a show! By staging 11-12 productions each year, Theatre Ink offers a wide variety of opportunities for students to have a complete hands on learning experience in all aspects of theatre arts, both on and off stage. We strongly encourage all students to participate in all areas of production and reap the lifelong benefits that the program has to offer.

## You Don't Have to be in a Show to be in a Show!

### Diversity

Theatre Ink values and celebrates diversity of all kinds. Theatre Ink actively encourages all students to participate in productions as members of cast or crew. Theatre Ink hopes to be a reflection not only of the varied backgrounds and experiences of Newton North's staff and students but also of diverse world cultures, life experiences, and theatrical traditions. By carefully selecting a range of different shows each year we strive to tell theatrical stories that represent the richness of our world while offering a wide range of opportunities. With these ideals and practices we hope to provide equal access for all students both on and off stage.

# Arts Opportunities

The Theatre Arts Opportunities Committee is a parent group which supports Newton North's theatre program, Theatre Ink. Our collaborative involvement contributes to the overall success of Theatre Ink. We support Theatre Ink's teaching and working theatre experience so the program can become stronger and better each year, building on its tradition of excellence. As a community of parent volunteers, we:

- Raise money through various fundraisers bake sales at Theatre Ink productions, annual program advertisement book, contributions, etc. to support specific needs of the program
- Facilitate the dissemination of information about the program through publicity, mailings and emails
- Promote within our community a commitment to the teaching and working theatre model as a vital component of a rich and diverse educational program
- Support the educational value of the theatre experience, which includes the artistic, intellectual, social and emotional development of each student
- Attend Theatre Ink productions and celebrate the success of all students who participate in Theatre Ink
- Sponsor the Drama Banquet in June
